

Lift Installation, Modernisation and Refurbishment

## SHEFFIELD HALLAM UNIVERSITY

Sheffield Hallam University is the eighth largest University in the UK. Consisting of two sites, multiple buildings and tutoring over 31,000 students annually. The University has over 120 lifts serving the needs of students, tutors, staff and visitors at the City Campus and Collegiate Campus.

Liftec has built up a strong relationship with the University and a reputation for both reliability competitive costing.

We have been awarded multiple refurbishment projects and have maintained an ongoing relationship with Sheffield Hallam University. The works include a range of passenger and good lifts; Lifts 10, 17, 30, 43, 45, 46, 48, 58, 75, 76, 77 and 127.

Liftec has installed a new MRL lift in the Hertha Ayrton STEM Centre. We have refurbished and modernised both single and grouped lifts that have required new equipment; drives, controllers, entrances, lift car relines, safety gear, new pushes and indicators.
